Autumn Term 2018

Welcome back, we hope you have all had a fantastic summer holiday and had a relaxing and enjoyable break. I would to take this time to introduce myself, Mr. Anderson and our classroom assistants Miss Gilmore and Mrs. Winterbottom. We are all really looking forward to working with your child and making sure that they enjoy their time at school.

Over the next half term we will be focusing on the following:

Maths

We will start off the term focusing on place value; partitioning numbers, rounding and adding and subtracting up to four digit numbers. We will also focus on times tables and shape.

English

English this term will link in with our theme – Buried Treasure. This term we will focus on the story ‘Journey’ and will be writing our own creative version of the text. We will start by looking at the features of the story and enhancing the children’s writing through text interrogation.

The children’s spelling and grammar skills will also be of key focus this year so support with spellings would be extremely appreciated.

Theme

We begin our new term with the theme 'Buried Treasure' linking to Ancient Egypt. Throughout our theme we will be developing our understanding of ancient history, through a variety of interesting activities involving Design and Technology, Science and Art.

Throughout the topic we will be learning about; the Egyptian way of life, ancient artefacts and traditions including mummification!

Homework

Project based homework will be given out over extended periods of time over the half term and English, Maths and spellings will be given out on a weekly basis. Support at home with homework will be a fantastic help to your child.

Key dates and information for your diary:

PE- PE will be take place on Wednesday afternoons. Please ensure your child has their P.E kit in school at all times.

Swimming- Starts on Tuesday the 11th of September.
